The Independent Investigation could be based on either physical or human geography.

Alternatively, students could choose to do investigations with a people–environment theme. The key point is that there should be a clear link to the specification and it therefore does not matter which aspect students choose.

Independent Investigation & Written Report

3.3.2 Investigation requirements

Students are required to undertake an independent investigation. This must incorporate a significant element of fieldwork. The fieldwork undertaken as part of the individual investigation may be
