Preparing for Your ACS Examination in Organic Chemistry: The Official Guide (commonly called the Organic Chemistry Study Guide) This guide is the newest update to our suite of study materials. A second edition was released in early 2020 with over 240 pages and over 600 unique problems. The guide is organized similarly to the general chemistry guide with a clear separation of first-term and second-term material.

It was difficult for me to use it as a study guide due to pen marks.

However this is extremely similar to the real ACS exam. If you need to review Organic 1 as well as the material from Organic 2 this is the best study guide. Stay away from purchasing a used study guide to avoid what happened to me.
