Bewitchment is a common local satanic technology. What does it mean to bewitch? It is to bring continuous evil on a person. To bewitch is to charm a person using satanic power or to put a person under a spell using satanic power. In Galatians 3:1, Paul used the word bewitchment to describe the act of being led away into evil doctrines. And because the Galatians were bewitched, he referred to them as being foolish.
