This book covers the background, conception, design, production and aftermath of the iconic Ferrari 288 GTO, including the prototypes, the early production cars, the mainstream production cars in their various specification guises, and the Evolution cars planned for the aborted Group B FIA race series. It features over 400 relevant photographs, from original production images to the cars as they are today, including the 1984 Geneva Salon where the car debuted, the first ever GTO Reunion in 1985, current salon and action images, right up to the 25th Anniversary Ferrari 288 GTO Reunion held in America in 2009. Also featured are the actual factory production approval sheets, as filed with the Italian government, in an illustrated technical drawing form, along with a chassis by chassis register of every 288 GTO built, including destroyed prototypes, production cars, and GTO Evoluzioni – in fact all 284 cars ever built.

It all began in Maranello, a small town south of Modena, Italy, where Enzo Ferrari founded a car factory that would conquer the realm of automobile enthusiasts for a long time to come. A love for Ferrari lasts a lifetime: anyone who has entered the magic triangle of power, speed, and beauty under the sign of the prancing horse remains captivated. This book presents all models in chronological order, from the Spider Touring of 1948 to the new LaFerrari of 2013. Includes the following models: 458 Italia FF F12berlinetta LaFerrari
