The Routledge Handbook of Transport Economics offers the first state of the art overview of the discipline of transport economics as it stands today, reflective of key research and policy. Transport is an important area of study and one which is problem rich, stimulating a great deal of debate in areas which impact on everyday lives. Much of this focuses on the practicalities of the modern-day phenomenon of mass movement and all of the issues which surround it. The discipline of economics is central to this debate, and consequently the study and application of transport economics has a chief role to play in seeking to address subjects relating to major transport issues. It can be argued that at the very heart of any transport issue or problem lies the underlying economics of the situation — understand that and you alleviate the problem. Featuring contributions from world-leading scholars and practitioners from across the globe, all of the chapters within this book are written from a practical perspective; theory is applied and developed using real-world examples. The book examines concepts, issues, ideas and practicalities of transport provision in five key topic areas: public transport public transport reform economic development and transport modelling transport and the environment freight transport. A real strength of the book is in linking theory to practice, and hence the 'economics' that are examined in this text are not the economics of the abstract, but rather the economics of everyday living. Practical and insightful, this volume is an essential reference for any student or researcher working in all areas of transport provision, ranging from planning, appraisal, regulation and freight; and for all practitioners looking to develop their professional knowledge and who are seeking professional accreditation.

If you have read The House that Pinterest Built, Smart Spaces, The Alchemy of Things, or Elements of Style you're going to love Perfect Imperfect. Wabi-sabi and new creative interior design expressions: Perfect Imperfect is a stunning collection of homes and studios of creatives from all over the world, with thought-provoking text by Karen McCartney and stunning visuals by Sharyn Cairns and Glen Proebstel. Perfect Imperfect takes as its founding principle the Japanese concept of wabi-sabi. Wabi-Sabi advocates the beauty to be found in imperfection, impermanence and the authentic. Importantly this is done without losing sight of the benefits of living in the 21st century; where designers are merging digital technology with the handmade, rethinking how to use space and accommodating the natural world. Creating a new interior design vocabulary: As the collaborative process for creating Perfect Imperfect involved working across continents, the authors created a list of words and phrases that define how to curate the work they include in their stunning book. Their new interior design and interior decorating vocabulary includes terms such as mutability, irregularity, unfinished and incomplete, void, the effects of accident, unpretentious, simplicity, contrasts, and Leonard Koren's idea that 'beauty can be coaxed out of ugliness'. The new words and phrases introduced by the authors define the book's visual sections: - Spirit of Nature - Strange Beauty - Mark of Hand - Deep Shadow - Weathering & Decay - And, Incomplete and Irregular A beautiful, inspirational decorative book: Perfect Imperfect is a celebration of accident, curation, collection, hesitation, collaboration, reuse, reimagining and true originality. It explores an established aesthetic in a new way and embraces current design objects alongside well-worn ones; featuring interior settings that mix comfort, design and an off-beat beauty.

Summer at Tiffany's by Karen Swan is the captivating and romantic sequel to Christmas at Tiffany's, perfect for fans of Santa Montefiore and Veronica Henry. A

wedding to plan. A wedding to stop. What could go wrong? Cassie loves Henry. Henry loves Cassie. With a Tiffany ring on her finger, all that Cassie has left to do is plan the wedding. It should be so simple but when Henry pushes for a date, Cassie pulls back. Henry's wild, young cousin, Gem, has no such hesitations and is racing to the aisle at a sprint, determined to marry in the Cornish church where her parents were wed. But the family is set against it, and Cassie resolves to stop the wedding from going ahead. When Henry lands an expedition sailing the Pacific for the summer, Cassie decamps to Cornwall, hoping to find the peace of mind she needs to move forwards. But in the dunes and coves of the northern Cornish coast, she soon discovers the past isn't finished with her yet . . .

As a poet, editor and essayist, T. S. Eliot was one of the defining figures of twentieth century poetry. This selection, which was made by Eliot himself, includes many of his most celebrated works, including *The Love Song of J. Alfred Prufrock* and *The Waste Land*. Other volumes in this series: Auden, Betjemen, Plath, Hughes and Yeats.

Meet Jay. Summer. And Dylan. Jay plays guitar, writes songs and dreams of being a rock star. But his ambitions are stifled by seven siblings and a terrible drummer. Summer works hard at school, looks after her nan and has a one-in-a-million singing voice. But can her talent triumph over her nerves? Dylan is happiest lying on his bunk smoking, but his school rugby coach has other ideas, and Dylan reluctantly joins a band to avoid crunching tackles and icy mud. They're about to enter the biggest battle of their lives. And there's everything to play for. A spectacular start to the new series from Robert Muchamore, bestselling author of *CHERUB* - read on with *Rock War: The Audition*, a story especially written for World Book Day.
