The Epica seemed a long time coming. Press releases started landing in editorial offices back in 2006, promising a car that would change the way we thought about the brand. 'Family car value with executive style' was the tagline but it wasn't until fully two months later, in February 2008 that the first cars started landing in UK dealerships.

The Chevrolet Epica was officially launched in Europe at the 2006 Geneva Motor Show. The Tosca is noteworthy in that it is available with transversely-mounted straight-six engines. Contrary to the preceding models (V100 Leganza and V200 Magnus), which were styled by Giugiaro, the V250 was designed entirely in-house.

For 2006, the Chevrolet Epica has only minor changes. Its two trim lines have been reduced to a single one, the LTZ; there is also electronic cruise control, and a new Pearl White exterior colour. In different trim, the Epica is also sold as the Suzuki Verona. Although the U.S. also gets the Verona, the Epica is unique to Canada.
