Devil-worship in France: or, The question of Lucifer: a record of things seen and heard in the secret societies according to the evidence of initiates | Waite, Arthur Edward | download | B-OK. Download books for free. Find books

Waite's hermetic classic. Searchable-text PDF format. ISBN: 1-887560-67-X. Abridged.

A. E. Waite's Devil-Worship in France, rather than being an infernal how-to book or even a history of what the title purports, is in fact an examination of a most sensational hoax perpetrated by Parisian journalist, Leo Taxil. Taxil and fictitious associate, Diana Vaughan, created a scandal in the late 1800s by reporting on a most heinous occult sect, the "Palladian Masons," that admitted women and performed diabolic acts of "Luciferian Spiritism." Taxil's "revelation" of this secret society and its supposed links to Freemasonry and other occult organizations, created a public hysteria and outcry against all things occult, especially secret societies. A.E. Waite's response, Devil-Worship in France, is his satirical and somewhat farcical interpretation of this sensationalization and persecution of occult groups in France at that time. This work, along with similar refutations by French occultist Papus, raised questions Taxil could not answer, and he was forced to admit that the reports were a hoax meant to ridicule both the Catholic Church and Freemasonry. This republication of Devil-Worship in France is the first reprint of the book in nearly one hundred years. A.E. Waite then wrote Diana Vaughan and the Question of Modern Palladium, the sequel to Devil-Worship in France, where he reexamined and re-presented the telling of the hoax in a straightforward manner- without the satire and farce. Published for the first time, here, finally, is the whole story behind the hoax that slandered occult communities throughout Europe in the late 1800s. R.A. Gilbert's introduction places the book in historical and contemporary context.

The term Modern Satanism is not intended to signify the development of some new aspect of old doctrine concerning demonology, or some new argument for the personification of the evil principle in universal nature. It is intended to signify the alleged revival, or, at least, the reappearance to some extent in public, of a cultus diabolicus, or formal religion of the devil, the existence of which, in the middle ages, is registered by the known facts of the Black Sabbath, a department, however, of historical research, to which full justice yet remains to be done. By the hypothesis, such a religion may assume one of two forms: it may be a worship of the evil principle as such, namely, a conscious attempt on the part of human minds to identify themselves with that principle, or it may be the worship of a power which is regarded as evil by other religions, from which view the worshippers in question dissent. To students of occultism, transcendental magic, and mysticism as a branch of learning or investigation, either as a believer or from a psychological point of view, this work is very valuable. This is the extended edition including an annotating essay about devil-worshippers and their history.

'Devil-Worship in France: or, The Question of Lucifer' by Arthur Edward Waite. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten/or yet undiscovered gems/of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Renowned historian, Jeffrey Burton Russell, famous for his studies of medieval history, turns to the serious questions that confront Christianity in contemporary culture. Russell examines a wide array of common misperceptions, characterizations, stereotypes, caricatures and outright myths about Christianity that circulate heavily within today a society, and are even believed by many Christians. In a succinct and engaging manner, Russell discusses these errors and provides thoughtful, even-handed, carefully researched and sharp-witted responses. The author sets the record straight against the New Atheists and other cultural critics who charge Christianity with being outdated, destructive, superstitious, unenlightened, racist, colonialist, based on fabrication, and other significant false accusations.

For the first time, Massimo Introvigne proposes a general social history of Satanism and anti-Satanism, from the French Court of Louis XIV to the Satanic scares of the late 20th century, satanic themes in Black Metal music, the Church of Satan, and beyond.

The novel's protagonist is a British Roman Catholic priest, Father Percy Franklin, who looks identical to the mysterious U.S. Senator Julian Felsenburgh of Vermont. The senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.

This book is the only on that lists 115 crimes, offenses, deviances and 62 infamous criminals that can all be blamed on the sex urge and its underlying chemistry. The book also enumerates and briefly explains more than a hundred different treatments that have been used to treat these problems. The efficacy of these treatments has been found to vary greatly. Some of them have even proven to be counterproductive and the best is seldom used. This book is one of the very few available that dwell extensively with the powerful sex urge in its evil results: crime, disease, aggression, jealousy, lost spirituality, etc. in as much detail. Most that is written about sex deals with its good aspects: love, ecstasy, children, family, etc but we need the information in this book to come to the reality of the power of these urges for evil.
