Economics has never been so exciting to learn! The ninth edition of Economics contains the most up-to-the minute coverage and uses the latest data to track and analyse the impact of the global financial crisis on our economy.

‘ Economics ’ is popular for its active

Where To Download

Learning and student-friendly approach, and the new edition retains its classic features that provide a solid foundation for the study of economics, while covering much of the recent turmoil in the economy.

Comprehensive coverage of the credit crunch, the

Where To Download

subsequent global recession, the legacy of debt, faltering recovery in the world economy and the policy debates about tackling the problems

Complete update of boxes, examples and changes to data / legislation, including more cases that relate to policy development
