Entering the child's mind : the clinical interview in ...  
Enter their world of imagination and make yourself at home, abandoned adult feelings of embarrassment and shame as crawl like a baby, ... This will not only give you a better understanding of your child's mind, but also a healthy relationship that both you and the child will cherish.

How to Understand the Child's Mind: 10 Steps (with Pictures)  
Developing a theory of mind is a key stage of child development. A well-developed theory of mind helps us solve conflicts, develop social skills, and reasonably predict other people's behavior. Assessing Theory of Mind Psychologists often assess a child's developing theory of mind by performing the false beliefs task.
