E-Portfolio Systems. e-Portfolios are a digital version of traditional paper-based storage files. Instead of learners keeping hard copies of the evidence they have gathered, they now have the facility to upload it to a secure server where the information can be accessed remotely by their tutor, assessor, manager and internal quality assurer.

The organisation is continually improving its service offer, for example with the implementation of the six-day turnaround of results, which was a bonus for us. This fast turnaround has made it a lot easier for us to keep on track, especially during busy exam periods when we would previously have had a sudden influx of 30 or 40 results, so we've been particularly pleased about this aspect of ...
