And Management By Communication

Communication - the sharing of ideas and information - forms a large part of the extension agent's job. By passing on ideas, advice and information, he hopes to influence the

decisions of farmers.

He may also wish to encourage farmers to communicate with

one another; the sharing of problems and ideas is an important stage in planning group or village activities.

4. Extension and communication - Food and Agriculture ...

Access PDF Extension

Communication refers to the process by which information is exchanged between two or more people (increasingly, machines are also included in communication, but we limit the discussion here to communication between people). Each of the
