Tennessee land . . . and the lessons he and his family would learn along the way. Now two years after Joey's passing, as Rory takes their four-year-old daughter Indiana's hand and walks forward into an unknown future, he takes readers on his incredible journey from heartbreak to hope and, ultimately, the kind of healing that comes only through faith. A raw and vulnerable look deeper into Rory's heart, *Once Upon a Farm* is filled with powerful stories of love, life, and hope and the insights that one extraordinary, ordinary man in bib overalls has gleaned along the way. As opposed to homesteading, this is instead a book on lifesteading as Rory learns to cultivate faith, love, and fatherhood on a small farm while doing everything, at times, but farming. With frequent stories of his and Joey's years together, and how those guide his life
