ECO Guide immerses you in the strategies and tactics that leading edge professionals are using to tackle pressing problems and create innovative solutions.

Explains engines and systems maintenance, tune-up, and repair procedures and operations for the designated Ford models

Shows how to perform routine maintenance on late-model Mustangs, Capris, and Merkurs

Features detailed instruction in service, troubleshooting, and repair procedures for emission systems, tune-ups, and vacuum diagrams on models built 1984 to 1986

In today's uncertain economy, more car buyers are turning to the used car market. Based on the results of unbiased tests and surveys conducted by Consumer Reports, the guide evaluates fuel economy, performance level, repair record, and overall quality of hundreds of 1984-1989 cars, with detailed reports on 1987-1989 models. Ratings charts, tables, index.
