Instability in the Middle East by Karel Cerny, Phil Jones ...

This book examines the roots of this instability using a theoretically original and empirically supported historical sociological comparative analysis. Up till now interpretations of the development of the post-colonial Middle East have been dominated by two opposing theses.

Instability in the Middle East: Structural Causes and ...

Countering common interpretations of postcolonial Middle Eastern development, Instability in the Middle East focuses on the highly uneven and unsynchronized pace of change in individual sociodemographic, economic, and political dimensions of modernization. Drawing on the theory of multiple modernities, ?erný investigates the broader cultural, religious, and international political context of uneven modernization in the Middle East and tests his model using a time series of dozens of ...
