Penectomy for Penile Cancer: Recovery, Procedure, and More

Penectomy is penis removal through surgery, generally for medical or personal reasons.

Penectomy - Wikipedia

Penectomy is a surgical procedure for partial or complete removal of the penis for the treatment of penile cancer. It is an uncommon disease in most part of the world but there are recent cases which have been registered commonly in countries like South America, Africa, and some parts of Asia.

Penectomy - Pinterest

A penectomy is the surgical removal of part or all of the penis. This surgery may be required in order to remove cancerous tissue in the penis, or it can be elected as part of a sex reassignment surgery. In rare cases, a penectomy is performed accidentally during circumcision. A penectomy involves the removal of part or all of the penis.

What is a Penectomy? (with pictures) - wiseGEEK

Penectomy is a surgical procedure that involves removing all or part of the penis. It is mainly used as a treatment option for penile cancer. Penile cancer is a collection of malignant (cancerous) cells inside or on the tissue of the penis.

10 Best Clinics for Penectomy in Thailand [2020 Prices]

After a penectomy, everyday tasks can have the potential to get way messier. First off, you have to learn to pee all over again. Each penectomy is unique, due to where the penis is snipped off (I cringe just writing that), so there is no standard way to pee -- you have to experiment, and have towels handy.

Male Nullo Stories - BME: Body Modification Ezine

The operation is called a partial penectomy if only the end of the penis is removed (and some shaft remains). If not enough of the shaft can be saved for the man to urinate standing up without dribbling (at least 2 to 3 cm), a total penectomy will be done. This means the entire penis is removed, including the roots that extend into the pelvis.

Surgery for Penile Cancer

I enjoy the whole area of penectomy and castration play. Always had a fantasy of a guy taking my cock and balls to make a nice trophy or even hotter a sausage dinner that he would eat in front of me as I serviced his cock.
