Internet Use in Children  
Knowing what you value can serve as a guide to determine when and how you want to intervene in a situation with your children. If you see your child misbehaving in a way that is contrary to a value you want to instill, it can be a clue about something the child needs to learn, whether it be kindness, generosity, responsibility, honesty, etc.

Going on a family vacation to London? Make sure your kids have a great time exploring the United Kingdom and exciting London with the Kids' Travel Guide - UK & London. This special edition combines the highlights of both the Kids' Travel Guide - United Kingdom and the Kids' Travel Guide - London. Together with Leonardo, their very own tour guide, your kids will have so much fun discovering the UK--its history and geography, its food and culture, and even some of its unusual expressions and superstitions. And they'll get to know all about the city of London and the best sites for children. Leonardo makes it interesting with "juicy information," challenging quizzes, special tasks, and colorful activities. Leonardo will join your kids in every step of the journey, from packing at home to seeing the sights in London. And when you return home, the book will become a souvenir of your trip that kids can treasure for a lifetime. You can also purchase books focusing on the city of London or the countries of the United Kingdom separately: Kids' Travel Guide - London--all about London and the best sites for kids. Kids' Travel Guide - United Kingdom--all about the UK, no matter which area you visit. FlyingKids makes your family travel more fun, enriching, and unforgettable. Get lots of information on family travel at www.theflyingkids.com.

Do-It-Yourself Divorce stands on it ' s own. This book is about cost minimization. Every person, unless extremely wealthy, will save dollars and gain sense by changing to a new view on managing divorce expenses. Divorce, in our legal system, is a systematic and negative reduction of your life savings. Change that, manage that, and find the observations within the book that allow you to. Do, if you can, all you can to manage the losses related to separation of marriage in the courts of our land. Jedidiah

A Bible concordance identifying or explaining names and words and indicating where in the Bible they can be found.

Memory loss can create problems in every aspect of a person's life. The challenge of communicating thoughts and feelings can be made even harder by other people's negative perceptions of dementia. This book provides practical guidance for coping with progressive memory loss, and includes examples of real people who have faced similar challenges. These stories highlight both good and bad ways to deal with the problems that arise, and are also useful for describing the experiences of memory loss to friends and family. The authors suggest ways of maintaining physical and mental health by staying active and engaged in society. They also offer techniques for improving communication, preserving self-esteem and overcoming the stigma associated with memory loss. A Personal Guide to Living with Progressive Memory Loss offers inspiration and advice for anyone in the early stages of dementia. It also provides useful insight for family and friends who wish to offer support for a loved one affected by progressive memory loss.

This book is a compilation of techniques used in psychotherapy, put together in an easy-to-read format to apply to everyday problems-of-living.This guide can be used to deal with a simple problem or as a way to transform your life. Have you ever wondered what goes on in the privacy of a therapist's office? Besides talking about things not shared with others, there are therapeutic strategies led by the therapist to effect changes in an individual's life. These changes are intended to help you deal more effectively with problems-of-living. Dr. Swan takes you inside the therapist's office and shares the strategies you may encounter if you go for help.
