Being a real life superhero means that you're going to be actively walking around. This can become difficult if you're wearing a heavy costume while trying to stop crime. Good exercises to increase your stamina include running, jogging, walking, cycling, swimming, and doing circuit exercises.

How to Become a Real Life Superhero: 14 Steps (with Pictures)

Originally, the reason for Superman's

abilities was not explicitly detailed — other than stating Superman is an alien. However, as the Superman character developed over the years, DC writers attempted to provide real world explanations for the hero's super powers, settling on the idea that Superman receives his abilities from stored-up solar energy - via Earth's yellow sun.
