An exclusive Nora Roberts short story. Allena has always struggled to get her life on track. And, true to form, on a trip to Ireland she is distracted by a beautiful ancient pendant and a strange storm leaves her stranded on a distant island. Allena is forced to take shelter with her rescuer: the rugged and surly Conal. But Conal is horrified to see Allena wearing the pendant - a sign that fate is catching up with him. He fights it at every turn, but the enchanting Allena alters his life in ways he never thought possible.

Offers a collection of four romantic stories involving enchantment and passion.

A young woman gets caught up in the secrets and shadows of a big-screen legend and a small-town scandal in this #1 New York Times bestseller from Nora Roberts. Cilla McGowan, a former child star, has found a more satisfying life restoring homes. So she comes to Virginia's Shenandoah Valley to save the dilapidated farmhouse of her grandmother—a legendary actress who died of an overdose there more than thirty years ago. Plunging into the project with gusto, Cilla's almost too busy and exhausted to notice her neighbor, graphic novelist Ford Sawyer. Determined not to carry on the family tradition of ill-fated romances, Cilla steels herself against Ford's quirky charm, though she can't help indulging in a little fantasy. But it's reality that holds its share of dangers for Cilla. A cache of unsigned letters found in the attic points to a mysterious romance in her grandmother's life, and may be what sparks a frightening, violent assault. Now, if Cilla and Ford are unable to sort out who is targeting her and why, she may, just like her world-famous grandmother, be cut down in the prime of her life.

Become enchanted with #1 New York Times bestselling author Nora Roberts's This Magic Moment when a woman casts a spell to open the heart of a man who's tricked himself into believing that love doesn't exist. Master magician Pierce Atkins has made a career conjuring realistic illusions and escaping elaborate traps, mystifying audiences around the world. Mesmerized by his seemingly otherworldly abilities, Ryan Swan is desperate for a peek behind the curtain of the brooding, attractive genius—only to uncover a personal tragedy his magic cannot fix. And as she watches Pierce engage in one death-defying act after another, Ryan finds herself becoming spellbound by the man, not the magician.

"Ripley Todd just wants to live a quiet, peaceful kind of life. Her job as a sheriff's deputy keeps her busy and happy, and she has no trouble finding men when she wants them--which, lately, isn't all that often. She's perfectly content, except for one thing: she has special powers that both frighten and confuse her--and though she tries hard to hide them, she can't get them under control. Distraction soon arrives in the handsome form of MacAllister Booke--a researcher who's come to investigate the rumors of witchcraft that haunt Three Sisters Island. Right from the start, he knows there's something extraordinary about Ripley Todd. It's not just her blazing green eyes and her sultry smile. There's something else. Something he can detect, but she'll never admit. Fascinated by her struggle with her amazing abilities, he becomes determined to help her accept who she is--and find the courage to open her heart. But before Ripley and Mac can dream of what lies in the future, they must confront the pain of the past. For Three Sisters shelters centuries of secrets--and a legacy of danger that plagues them still.."
