To unearth a centuries-old secret, an archaeologist must team up with the rakish thief who’s stolen both an ancient relic and her heart... Oh, is he handsome. And charming. And sexy as all get out. Dr. Lisa Maxwell isn’t the type to go home with a guy she barely knows. But, hey, this is Italy and the red-blooded Rafe Sullivan seems much more enticing than cataloging a bunch of dusty artifacts. After being fully seduced, Lisa wakes to an empty bed and, worse yet, an empty safe. She’s staked her career as an archaeologist on collecting the three Furies, a priceless set of ancient Greek reliefs. Now the one she had is gone. But Lisa won’t just get mad. She’ll get even. She tracks Rafe to Florida, and finds the sparks between them blaze hotter than the Miami sun. He may still have her relic, but he’ll never find all three without her. And they’re not the only ones on the hunt. To beat the other treasure seekers, they’ll have to partner up--because suddenly Lisa and Rafe are in a race just to stay alive.

His past tore them apart. Her lies thrust them back together. Now a killer’s out for revenge, but the biggest threat for both may just be the heat they thought they’d already lost... Antiquities dealer Peter Kauffman walked a fine line between clean and corrupt for years. And then he met the woman who changed his life--Egyptologist Katherine Meyer. Their love affair burned white-hot in Egypt, until the day Pete’s lies and half-truths caught up with him. After that, their relationship imploded, Kat walked out, and before Pete could find her to make things right, he learned she’d died in a terrorist bombing in Cairo. Six years later, the woman Pete thought he’d lost for good is suddenly back. The lies this time aren’t just his, though. The only way he and Kat will find the truth and evade a killer out for revenge is to work together--as long as they don’t find themselves burned by the heat each thought was stolen long ago...

Even second chances can be stolen... Archaeologist Maren Hudson lost everything when a member of her team was killed during a routine dive. Nine years later she’s rebuilt her life, but a secret from her past forces her back into the career she left behind. Salvage expert Thad Leighton has been in an emotional void since his brother’s murder, but when the opportunity for revenge arises, he can’t say no. Especially since it means being reunited with the one woman he’s never been able to forget. Passion sparks between Maren and Thad as they work the dig together in Mexico. But when Thad uncovers Maren’s secret, the second chance they both thought they’d found is suddenly in jeopardy. Because Thad will have to choose between the vengeance that’s driven him all these years, or a love that has the power to heal them both.
