From two extraordinary authors comes a moving, exuberant, laugh-out-loud novel about friendship and family, told entirely in emails and letters. Avery Bloom, who's bookish, intense, and afraid of many things, particularly deep water, lives in New York City. Bett Devlin,

who's fearless,
outgoing, and loves
all animals as well as
the ocean, lives in
California. What they
have in common is
that they are both
twelve years old, and
are both being raised
by single, gay dads.
When their dads fall in
love, Bett and Avery
are sent, against their
will, to the same

sleepaway camp.

Their dads hope that they will find common ground and become friends--and possibly, one day, even sisters. But things soon go off the rails for the girls (and for their dads too), and they find themselves on a summer adventure that neither of them could have predicted.

Now that they can't imagine life without each other, will Bett and Avery (who sometimes call themselves Night Owl and Dogfish) figure out a way to be a family?

The tradition of tax-exempt status for

nonprofit "charitable" organizations is well established, and few would argue with the principle. But the tax-exempt sector of the economy is vast and rapidly growing, resulting in the loss of billions of dollars of tax revenue. At the same time, we have no consensus on what purpose the

charitable tax
exemption serves, let

what constitutes a
charity. In this
important addition to
the theory of tax law,
Colombo and Hall
develop an original
"donative" theory that
links the charitable tax
exemption to the
ability of an
organization to derive

donative support from the community. Their theory not only makes intuitive sense but also receives support from economic, political, and moral theory. Its implications would rationalize the charitable tax exemption, comport with legal precedent, and simplify the administration of the

law. The Charitable Tax Exemption is a major contribution to the theory of tax law and should be essential reading for a wide range of lawyers dealing with taxes. It will also be enlightening for anyone involved in the operation of a nonprofit organization
