Joseph Ratzinger (Pope Emeritus Benedict XVI) is recognized as one of the most brilliant theologians and spiritual leaders of our age. As pope he authored the best-selling Jesus of Nazareth. Prior to his pontificate, he wrote many influential books important for the contemporary Church, such as Introduction to Christianity and The Spirit of the Liturgy.

New Softcover Edition with Index! Considered by Ratzinger devotees as his greatest work on the Liturgy, this profound and beautifully written treatment of the "great prayer of the Church" will help readers rediscover the Liturgy in all its hidden spiritual wealth and transcendent grandeur as the very center of our Christian life. Among the many liturgical issues that he covers in this work, Cardinal Ratzinger discusses fundamental misunderstandings of the Second Vatican Council's intentions for liturgical renewal, especially the orientation of prayer at the Eucharistic sacrifice, the placement of the tabernacle, and the posture of kneeling. Other important topics he discusses include the following: the essence of worship; Jewish roots and new elements of the Christian Liturgy; the historic and cosmic dimensions of the Liturgy; the relationship of the Liturgy to time and space; art, music, and the Liturgy; active participation of all the faithful; gestures, posture, and vestments. "My purpose here is to assist this renewal of understanding of the Liturgy. Its basic intentions coincide with what Guardini wanted to achieve. The only difference is that I have had to translate what Guardini did at the end of the First World War, in a totally different historical situation, into the context of our present-day questions, hopes, and dangers. Like Guardini, I am not attempting to involve myself with scholarly discussion and research. I am simply

offering an aid to the understanding of the faith and to the right way to give the faith its central form of expression in the Liturgy." - Joseph Cardinal Ratzinger, from the preface

In honor of its fortieth anniversary (1978–2018), Ignatius Press presents a special Commemorative Edition of one of the most important works written by Joseph Ratzinger, *The Spirit of the Liturgy*. This edition includes the earlier classic work with the same title by Servant of God Romano Guardini, a book that helped Ratzinger to "rediscover the liturgy in all its beauty, hidden wealth and time-transcending grandeur, to see it as the animating center of the Church, the very center of Christian life". Considered by Ratzinger devotees as one of his greatest works, this profound and beautifully written treatment of the liturgy will help readers to deepen their understanding of the "great prayer of the Church". The cardinal discusses fundamental misunderstandings of the Second Vatican Council's intentions for liturgical renewal, especially about the priest's orientation of prayer to the Father, the placement of the tabernacle in churches, and the posture of kneeling. Other important topics are the essence of worship, the Jewish roots of Christian prayer, the relationship of the liturgy to time and space, sacred art and music, and the active participation of the faithful in the Mass.

Romano Guardini's *The Spirit of the Liturgy* "helped us to rediscover the liturgy in all its beauty, hidden wealth, and time-transcending grandeur, to see it as the animating center of the Church, the very center of Christian life... We were now willing to see the liturgy as the prayer of the Church, a prayer moved and guided by the Holy Spirit himself, a prayer in which Christ unceasingly becomes contemporary with us, enters into our lives." — Joseph Cardinal Ratzinger In the Constitution on the Sacred Liturgy, the Fathers of the Second Vatican Council wrote that liturgical reform and renewal must accord with what they called "the spirit of the liturgy". But what did they mean by this? Popes had written and spoken about this spirit in the decades before the council, but another important source is the 1918 book *The Spirit of the Liturgy* by Romano Guardini, which Pope Benedict XVI credits with sparking the liturgical movement in Germany. *The Seven Gifts of The Spirit of the Liturgy* is a study of Guardini's watershed text. With contributions from Bishop Arthur Serratelli, Cassian Folsom, O.S.B., Michon Matthiesen, David Fagerberg, Daniel Cardó, Bishop James Conley, Emery de Gaál, and Susan Benofy, as well as Christopher Carstens, it analyzes each of the seven core features of the liturgical spirit as Guardini defined it: objective, corporate, universal, symbolic, meaningful, beautiful, and logical. The Second Vatican Council saw each of these seven characteristics as integral to authentic liturgical reform. Too often they remain absent from liturgical celebrations even today, when subjectivism and individualism take the place of an objective, corporate spirit; when custom-made liturgies neglect the dimension of universality; when frivolous, anemic symbols stand in for a robust symbolism that truly manifests Christ; when beauty and seriousness fade into the background. We hold back the spirit of the liturgy if we don't know what it is, if we don't desire it, and if we don't work to let it animate liturgical prayer and practice. For this reason, nine experts on the liturgy recall in this book Guardini's key spiritual insights, showing how these can deepen our liturgical understanding and practice today.

This major volume is a collection of the writings of Joseph Ratzinger (Pope Emeritus Benedict XVI) on the theology of the Liturgy of the Church, a subject of preeminence to him as a theologian, professor and spiritual writer. It brings together all his writings on the subject, short and long, giving his views on liturgical matters and questions over many years and from

various perspectives. He chose to have his writings on the Liturgy for the first volume published of his collected works (though listed as vol. 11) because, as he says in the Introduction: "The liturgy of the Church has been for me since my childhood the central reality of my life, and it became the center of my theological efforts. I chose fundamental theology as my field because I wanted first and foremost to examine thoroughly the question: Why do we believe? But also included from the beginning in this question was the other question of the right response to God and, thus, the question of the liturgy." By starting with the theme of liturgy in this volume, Ratzinger wants to highlight God's primacy, the absolute precedence of the theme of God. Beginning with a focus on the liturgy, he said, tells us that "God is first". He quotes from the Rule of St. Benedict, "Nothing is to be preferred to the liturgy", as a way of ordering priorities for the life of the Church and of every individual. He says that the fundamental question of the man who begins to understand himself correctly is: How must I encounter God? Thus learning the right way of worshipping is the gift par excellence that is given to us by the faith. The essential purpose of his writings on the liturgy is to place the liturgy in its larger context, which he presents in three concentric circles. First, the intrinsic interrelationship of Old and New Testament; without the connection to the Old Testament heritage, the Christian liturgy is incomprehensible. The second circle is the relationship to the religions of the world. The third circle is the cosmic character of the liturgy, which is more than the coming together of a circle of people: the liturgy is celebrated in the expanse of the cosmos, encompassing creation and history at the same time.

The Second Vatican Council says, "We ought to try to discover a new reverence for the Eucharistic mystery. Something is happening that is greater than anything we can do. The liturgy is the summit toward which the activity of the Church is directed; it is the font from which all her power flows." This profound statement about the Eucharist stands at the center of this book by Cardinal Ratzinger. He compellingly shows us the biblical, historical, and theological dimensions of the Eucharist. The Cardinal draws far-reaching conclusions, focusing on the importance of one's personal devotion to and adoration of the Blessed Sacrament, for the personal reception of Communion by the individual Christian, as well as for the life of the Church. For Ratzinger, any transformation of the world on the social plane grows out of the celebration of the Eucharist. He beautifully illustrates how the omnipotent God comes intimately close to us in the Holy Eucharist, the Heart of Life.
