Morgan Dane's new client has blood on her hands--and no recollection of what happened--as the #1 Amazon Charts bestselling series continues. Haley Powell wakes up covered in blood, with no memory of the night before. When she sees a man lying in the backyard, stabbed to death, she has only one terrified thought: What have I done? Agreeing to take the case as a favor to her PI friend Lincoln Sharp, Morgan must scale a mountain of damning circumstantial and forensic evidence to prove her client innocent. Haley couldn't appear more guilty: her bloodstained fingerprints are on the murder weapon, and she has no alibi. But Morgan can't shake the feeling that this shocked young woman has been framed. Someone out there is hell-bent on sabotaging her defense, targeting Morgan, her partner, and especially Haley. Someone who will stop at nothing--and whose next move will be deadly.

~~What I've Done (Morgan Dane) | Goodreads~~
Private investigator Lance Kruger was just a boy when his father vanished twenty-three years ago. Since then he's lived under the weight of that disappearance--until his father's car is finally dredged up from the bottom of Grey Lake. It should be a time for closure, except for the skeleton found in the trunk. A missing person case gone cold has become one of murder, and Lance and attorney Morgan Dane must face the deadly past that's risen to the surface. For Lance, the investigation yields troubling questions about a man he thought he knew. But memories can play dirty tricks. For Morgan, uncovering each new lie comes with a disquieting fear that someone is out there watching, because someone is killing every witness tied to this decades-old crime. Morgan and Lance follow in the shadows of a relentless killer and walk right into the cross fire.

~~What I've Done (Morgan Dane) | Goodreads~~
Young mother Chelsea Clark leaves the house for a girls' night out . . . and vanishes. Her family knows she would never voluntarily leave her two small children. Her desperate husband -- also the prime suspect -- hires attorney Morgan Dane to find his wife and prove his innocence.

~~What I've Done (Morgan Dane) | Goodreads~~
Don ’ t say a word. . . . Just scream. The murder of eighteen-year-old Angie Vance was exceptionally vile—her mouth was sealed with glue, an obscenity was scrawled across her skin, and she was suffocated in a garbage bag. The killing seems personal, so police detective Carina Kincaid focuses her efforts on the victim ’ s much older ex-boyfriend, Steve Thomas. But without physical evidence, Carina can ’ t make a collar or a case. She also can ’ t stop Sheriff Nick Thomas, the prime suspect ’ s brother, from conducting his own unwelcome investigation. Though Nick is still scarred and unsteady from a recent confrontation with a serial killer, he ’ s determined to prove his brother ’ s innocence. But his confidence is shaken when he learns of Steve ’ s dark side, and when a friend of the murdered girl meets a similarly gruesome fate. With no time to lose, Carina and Nick work together to trap a psychopath, before another unlucky woman faces an unspeakable end.

~~What I've Done (Morgan Dane) | Goodreads~~
Sheriff Bree Taggart is both hunter and hunted in #1 Amazon Charts and Wall Street Journal bestselling author Melinda Leigh's blood-freezing thriller of murder, rage, and revenge.

~~What I've Done (Morgan Dane) | Goodreads~~
The discovery of human remains unearths another nightmare from Sheriff Bree Taggart's past in a bone-chilling thriller by #1 Amazon Charts and Wall Street Journal bestselling author Melinda Leigh. Twenty-seven years ago, Sheriff Bree Taggart's father killed her mother, then himself. Now Bree and her younger brother, Adam, find human bones on the grounds of their abandoned family farm. The remains are those of a man and a woman, both murdered in the same horrible way. When the investigation determines the murders occurred thirty years ago, Bree's dead father becomes a suspect, forcing Bree to revisit the brutal night she's spent most of her life trying to forget. The only other suspect is an unlikely squatter on the Taggart farm who claims to know secrets about Bree's past. When he mysteriously disappears and Bree's niece is kidnapped, the cold case heats up. Bree has stoked the rage of a murderer who'll do anything to keep his identity--and motives--a secret. To protect everyone she loves, Bree must confront a killer.

~~What I've Done (Morgan Dane) | Goodreads~~
Dead Men Risen, winner of the prestigious Orwell Prize for Books, is the epic story of a beleaguered British battle group fighting desperately to prevent the Taliban from seizing Afghanistan's Helmand province just as the U.S. Marines arrive to take over. Bestselling author Toby Harnden describes how men from the coal mining valleys and slate quarry villages of Wales found themselves in the most intense combat faced by British troops for a generation. Underequipped and overstretched, the fighting prowess of the Welsh Guards in the killing fields of Sangin and Nawa awed the U.S. Marines. NATO commander General Stanley McChrystal, who was awaiting a response to his urgent request to President Barack Obama for more troops, hailed their "burn-in-your-gut passion." Harnden was on the ground with the Welsh Guards in Helmand in 2009. He gained access to a trove of secret military documents and conducted nearly three hundred interviews in Afghanistan, England, Wales, and the United States to produce this timeless and profound account of men at war. Commanding the Welsh Guards was Lieutenant Colonel Rupert Thorneloe, a passionate believer in the justness of the war who was dismayed by the military and political incompetence surrounding it. In chilling detail, Harnden reveals how and why Thorneloe—the first British battalion commander to die in action since the 1982 Falklands War—was killed by an IED during Operation Panther ’ s Claw. By the time the fighting was over, almost no rank had been spared. From the searing heat of the poppy fields and the mud compounds of Helmand to the dreaded knock on the door back home, the reader is transported there. Harnden weaves the experiences of the soldiers, their historical forbears and the flawed NATO strategy into a masterly narrative. No other book about modern conflict succeeds on so many levels. Dead Men Risen is essential for anyone who wants to understand the reality of the Afghan war for the U.S and its allies.

~~What I've Done (Morgan Dane) | Goodreads~~
"An original series on Hulu! " A twisted modern love story " (Parade), Tell Me Lies is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn ’ t let go of. The one you ’ ll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she ’ s never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she ’ s quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy ’ s heart. Lucy knows there ’ s something about Stephen that isn ’ t to be trusted. Stephen knows Lucy can ’ t tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy ’ s and Stephen ’ s voices, Tell Me Lies follows their connection through college and post-college life in New York City. " Readers will be enraptured " (Booklist) by the " unforgettable beauties in this very sexy story " (Kirkus Review). With the psychological insight and biting wit of Luckiest Girl Alive, and the yearning ambitions and desires of Sweetbitter, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.
