### dxers guide: WRTH Bargraph Frequency Guide

But the WRTH isn't just a frequency guide: the publication always devotes the first sixty or so pages to articles relating to various aspects of the radio hobby. Following, I offer a quick overview of these. The first article always features a WRTH contributor: this year, they feature Kai Ludwig who is their contributor for Germany. His lifelong passion for international broadcasting started in what was then East Germany—he watched with interest as the broadcasting world change around ...
